

Our theatre is available for your special event! Whether you are planning a birthday party, private screening, premiere, or corporate business meeting, consider the Fine Arts Theatre Place for your venue. We tend to book quickly so we request that you book your event 4-6 weeks in advance.

BIRTHDAY PARTIES

Birthday Parties rentals are available on Saturday and Sundays from 10 am to noon, starting at \$300*. (Parents may arrive 30 minutes prior to set-up/decorate). Price includes Kids Snack Packs (popcorn, fruit snack and juice or small water/soft drink of choice) and private showing of a BluRay or DVD of your choice. (Please keep movie length under 100 minutes) First run showings are available at an added cost.

There is plenty of room for you to bring in food and beverage and enjoy cake in celebration of the birthday boy or girl! (We even have freezer storage for ice cream cakes) We will provide tables, tablecloths and some decorations at no cost.

Our friendly staff will be happy to assist throughout your event; however we do ask that parties do not exceed 30 children and that there is 1 adult present for every 10 children! (Extra children may be added for an additional fee)

CORPORATE MEETINGS

Our beautifully restored theatre is the perfect space for your next company meeting or conference. With room to accommodate up to 360 people, your audience is sure to stay engaged. Captivate your audience by displaying your presentation up on the big screen with digital sound quality.

The theatre can be booked for corporate meetings starting at \$300* during the week. Concessions and private showings can be added at an additional cost. Please contact us for additional details.

SPECIAL EVENTS

The Fine Arts Theatre Place is available for your special event. Our main theatre is equipped with a small stage and seating for 360 people. Whatever your event may be, we will be happy to work with you through your planning. Please contact us for details.

**Prices subject to change. A deposit may be required at time of booking.*
